Data file: tte_disruptions.csv

Variable	Description	Type	Values/Units
CASE	Participant ID	Character	Numeric string
TT03	Reason for omitting	Character	Open text
TT04	Encountered disruptions	Character	Open text
TT05	Notable experiences	Character	Open text
Disruptions	Disruptions experienced by participant during the session (categorized)	Character	Character vector containing one of 11 disruption categories

*The following two tables are related to the **matrix test**.*

Data file: mr_logdata.csv

Variable	Description	Type	Values/Units
ID	Participant ID	Character	Numeric string
item	Item ID	Character	String
elementOrder	Order of action	Numeric	Ordinal number of the action participant was taking
action	Action participant was taking	Character	Selection of response among the given elements (letter “o” followed by the element numeric ID), or “submit”
elementCounter	Ordinal number of the occurrence of selection of the same element	Numeric	Ordinal number indicating how many times the participant has taken the same action[1]
deltaTime	Time since previous action	Numeric	Milliseconds
cumulTime	Total time	Numeric	Milliseconds

Data file: mr_itemsolutions.csv

Variable	Description	Type	Values/Units
item	Item ID	Character	String
solutionCode	Correct solution of item	Character	Numeric string of 0s and 1s indicating which elements constitute the correct response

[1] Odd entries represent element selection and even entries represent element deselection

*The following table is related to the **concentration task**.*

Data file: ct_pagetimes.csv

Variable	Description	Type	Values/Units
ID	Device from which the study was accessed	Character	Computer, Tablet
PT_CTt	Time spent on the page with the concentration task training item	Numeric	Seconds
PT_CT01_01	Time spent on the page with the first concentration task item	Numeric	Seconds
PT_CT02_01	Time spent on the page with the second concentration task item	Numeric	Seconds
PT_CT03_01	Time spent on the page with the third concentration task item	Numeric	Seconds
PT_CT04_02	Time spent on the page with the fourth concentration task item	Numeric	Seconds
PT_CT05_02	Time spent on the page with the fifth concentration task item	Numeric	Seconds
PT_CT06_02	Time spent on the page with the sixth concentration task item	Numeric	Seconds
PT_CT07_03	Time spent on the page with the seventh concentration task item	Numeric	Seconds
PT_CT08_03	Time spent on the page with the eighth concentration task item	Numeric	Seconds
PT_CT09_03	Time spent on the page with the ninth concentration task item	Numeric	Seconds
